1. Each of these individuals shared stories of how God met them in very different but powerful ways while serving in Ensenada. In the stories told, what stood out most and what can you begin to do differently with what you have learned?
2. Missions, whether international or in our local community, is a powerful catalyst for our faith. What are ways you have seen God work through serving him in your own life? What are some ways you can pursue missions further?
3. The theme at YUGO this year was ***Together*** and how the church is more powerful when we serve together. What obstacles are preventing you from growing and serving in community with others at church? What are ways to strengthen the relationships you already have?
