Small Group Questions
Week of November 26, 2018

Icebreaker:

What advance in medical science amazes you most? Why?

Have you ever experienced God’s miraculous healing? Have you had a friend or family member experience God’s miraculous healing? Has God ever answered your prayer for healing?

Discussion Questions:

1. Did you come forward to ask God for healing and be anointed with oil this Sunday? What was that experience like and what caused you to go forward?
2. Read John 5:1-15 together.
3. What are barriers in our heart or mind that prevent us from believing God can still heal today?
4. In the midst of physical, emotional, and spiritual hurts and pains, how can we increase our trust and dependence upon God?
5. How can we be sure in our faith, whether God grants us healing or not?
6. How can we better praise God for answered prayers of healing?
7. Read James 5:13-18 together.
8. What are spiritual, emotional, or physical areas where you are in need of healing? Share these areas with one another and then pray for each other.
9. Another command James gives in is to confess sin to one another. If you are comfortable, spend a few minutes in prayer as a small group confessing personal or corporate sin together.
